To the FDA Commissioner,

I am writing to you today in reference to docket 99P-0033/CPI.

Please put an end to the practice of feeding dead pigs, horses, and other animals to other farm animals. Cows are not meat eaters by nature and they shouldn't be forced to eat dead animals. The HFA petition to put an end to this practice should be heeded.

I am a family and animal advocate and have 3 children and a husband. We are all concerned about what is in the meat even though we are vegetarians. We are concerned about our fellow Americans and I know you are too. Thank you for your time and for doing what you know is right, put an end to this horrible practice.

Sincerely,

Jill Weyhrauch
